PAGE NO.

Bonecover™ Ham Wrap™ benefits people in the food industry by making them both more efficient and more effective when packing hams. Ham Wrap™ provides excellent bone protection and blends in with the colour of the smoked rind, giving the ham a uniform, eye pleasing appearance. Available as sheets or perforated-on-roll, the above step by step pictures just show how easy Ham Wrap™ is to apply.

Other benefits include:

- ✓ Easy to apply. High tack makes Ham Wrap™ fast and easy to use.
- ✓ Economical and cost-effective protection against leakers.
- ✓ Ham Wrap™ has a unique colour to match the rind.
- ✓ Ham Wrap™ adheres to the vacuum bag for convenient removal when opening the packaging.
