

Disposable Aprons

Ideal for any application where the operator needs protection from water, fats or blood splashes where the contaminant is non-hazardous.

The use of Disposable Aprons benefits people in the food industry because they are low in cost and save the time and water required to wash more durable aprons.

Easy to put on each time the secure area is entered, the risk of introducing contamination is greatly reduced. Disposing of them when leaving the secure area reduces any risk of carrying contamination out of the secure area.

- ✓ Economic, hygienic, No laundering costs
- ✓ Hang on wall bracket for easy tear-off
- ✓ Light weight
- ✓ Easy to wear over high-hazard protection such as chain-mesh aprons
