

# Polycotton Knit Gloves

With reduced environmental impact

Bulk Bag 240 pairs

Bulk Bag 720 pairs

These reduced environmental impact polycotton knitted gloves are economical, highly absorbent and a good thermal insulator. Wear them alone, or under rubber or chain-mesh gloves for comfort or warmth. One size fits up to large.

**People in the food industry will benefit from using these gloves because they are:**

- ✓ Environmentally friendly - no chlorine bleach used in the manufacturing process
- ✓ Packed in higher density recyclable packaging - reducing your carbon footprint of the shipping and saving costs.
- ✓ Excellent value for money - Start Food-Tech Australia have passed the savings on to you!
- ✓ Made of unbleached polycotton - 70% cotton for high absorbtion.
- ✓ Comfortable - fitted cuff and elasticated wrist band, ambidextrous for wearing on either hand.
- ✓ Easier to launder with 30% polyester content.
- ✓ A good thermal insulator - keeps hands warmer in moderate conditions.
- ✓ Soft - to keep fingermarks off delicate finishes.
